### WOMAN AND ALLEGED LOVER HELD IN POISONING CASE

Little Valley, N. Y., Dec. 12.—Mrs. Cynthia Buffum and her alleged lover, Ernest Frahm, are in the

county jail charged with causing death of woman's husband by poison.

According to Dist. Atty. Cole, Mrs. Buffum made a statement declaring that Frahm urged her to do away with her husband and children, and promised to take her away when they were dead. She is said to have confessed she mixed a certain horse liniment, which contained a large amount of arsenic, with the food she gave her husband and children for about four weeks. Then her husband died. The little girl Laura was very ill and the other children in a serious condition. She is said to have told the district attorney that even then Frahm kept urging her to give them stronger doses.
